

Audit Report

Foshan MSL photoelectric Technology Co., LTD

Summary

Audit Report Date	July 11, 2023
Audited Company	Foshan MSL photoelectric Technology Co., LTD
Auditor	Luke Lao
Overall Rating	83/ 100 (see page 7)
Conclusion	<p>Based on the findings summarized in this company audit report, we can confirm that the audited supplier is a registered and active company in Foshan, China. We believe that the audited company overall meets industry standards and can be considered as trustworthy.</p> <p>There were no pending or ongoing lawsuits against the audited company identified.</p>

Please note that this audit opinion is based on the information available and procedures performed up to the date of this report. We recommend continuous monitoring and periodic reevaluation of the factory's operations to ensure ongoing compliance with industry standards and regulations.

I. Company Profile

1.1 Comprehensive Rating

B

83

When analyzing the credit rating of the target company, the target company's credit record, background and history, technological innovation ability, vitality and business conditions of the enterprise are considered comprehensively. The enterprise rating information presented is for users' reference only. The meaning of credit rating is as follows:

Level	Fractional range	Instructions
A	90-100.	Good business condition, strong organizational background, strong scientific and technological innovation ability, good development prospects, no broken promises and other abnormal conditions.
B	70-89.	Good operation, good trend. The comprehensive strength is developing steadily, and the credit record is good.
C	60-69.	The state of the enterprise is at the average level of the industry, and the comprehensive strength is average.
D	40 to 59	The state of the enterprise is lower than the industry average, the profitability is weak, and there is no good development trend.
E	The < 40	The business is in very poor condition and has a bad credit record.

1.2 Labels for Businesses

Industry labels: Manufacturing, electrical machinery and equipment manufacturing, lighting appliance manufacturing, lighting fixture manufacturing

Regional Label: Nanhai District, Foshan City, Guangdong Province
